

NCADD Phoenix, AZ: Affiliate of the Month- June 2014

---

NCADD Phoenix provides the community with free information through educational materials, health fairs and speakers for substance abuse related trainings.

NCADD Phoenix handles crisis calls on a daily basis for interventions, service referrals, treatment options and general substance abuse questions. All levels of staff are available to meet the needs of the caller.

*Helping women and children through life's hurdles. Supporting women in building a healthy life for themselves and their children.*
